Armada Medical Marketing Signs Rocky Mountain Laser Aesthetics

DENVER—Armada Medical Marketing, specializing in marketing healthcare products and services, has added Rocky Mountain Laser Aesthetics to its growing list of clients in the cosmetic procedures field. With expertise promoting niche medical markets, Armada will provide public relations services and media relations expertise to support marketing initiatives and grow awareness.

Rocky Mountain Laser Aesthetics is owned and operated by triple-board certified plastic surgeon Jeffrey R. Raval, M.D. As the state's only facial plastic surgeon National Botox[®] trainer, Dr. Raval retains exceptional expertise in this area of treatment. Additionally, the firm offers a variety of skin care services, products, and procedures to customers throughout the Front Range.

“Rocky Mountain Laser Aesthetics is a widely respected presence in the regional cosmetic procedures industry and employs a top-notch staff. Our job is to generate interest for the services the firm offers through effective media relations initiatives,” said Armada Medical Marketing President Jim Koehler.

Armada Medical Marketing provides marketing communications and public relations services for a variety of healthcare providers, specialty practices and medical device companies throughout the United States and internationally.

About Armada Medical Marketing

Armada Medical Marketing is the medical marketing division of GD&A Advertising & Public Relations of Denver, Colorado. Armada serves clients in diagnostic and preventive imaging and testing, outpatient services, retail medicine, medical equipment, supplies and devices, and related products and services. Parent company GD&A was founded in 1975 and provides marketing, advertising and public relations services for local, national and international clients.
